Projects and Experience

"Weird Kids"

September 2024–December 2024

- **Official Selection for ASIFA–East Animation Festival 2025**

- Created animated short film about a werewolf child struggling to make friends
- Pitched storyboard to other animators, showing personality and emotion of the characters, as well as using strong staging, composition, and cinematography
- Created schedule for deadlines of each step of the animation pipeline

"Dog With OCD and Psychic Powers Too"

April 2024–May 2024

- **Awarded Best Character Design at DUM–D Animation Festival Fall 2024**

- Created animated short film about a character who erases their friend's memory
- Created storyboard, character designs, color script, and more in the pipeline
- Followed production schedule over the course of 4 weeks and presented work-in-progress to fellow animators for feedback

N0va XR Media – Remote

May 2023–August 2023

Associate Designer Intern

- Created and published storyboards to communicate how VR experiences play out
- Communicated with supervisors about what was important to show in a sequence

Tools

- Toon Boom Storyboard Pro
- Adobe Photoshop
- Clip Studio Paint
- Wacom Cintiq

Skills

- Storyboard Art
- Time management
- English (native fluency)
- Spanish (professional fluency)
